

Personal VoiceSaver PA

Model PA285

1. Volume & on/off switch
 2. 3.5mm mic-in
 3. Tone control adjusts audio
 4. Full day's use on batteries, can still be used while recharging
 5. Tripod mount for enhanced projection with optional TP285 tripod
 6. Included headset for hands-free flexibility and movement
 7. Aux-in to connect with LCD projectors or laptop computers for enhanced audio amplification during multimedia presentations
- Molded base stabilizes unit for desktop use
 - Includes rechargeable NiMH batteries and headset mic
 - One year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools

Perfect for mid-sized groups, classroom presentations and business meetings, this multi-purpose personal amplifier is light enough to wear on a belt, but also has a stability-formed base for desktop use. Its ability to also connect with projectors and laptop computers makes the PA-285 more versatile than other personal speaker systems.

"Project Intercept"
